ARCHON'S MESSAGE

A problem arises for Beta Alpha. With fourteen seniors graduating, the undergraduate chapter could be depleted by almost half. Thus, rush takes on an even more significant aspect in the spring semester. If we are to continue in existence as a chapter of Pi Kappa Phi, we must bend our energies into our rush program with a dual goal. We must not merely replenish our membership, but must seek to obtain pledges who will be of value to Beta Alpha, by reason of what they are and what they do.

Rush is a continuing process. It does not function only during formal rush periods, but continues through the year. Even when one graduates from NCE, rush follows. Alumni often know of friends, relatives, or acquaintances who plan on or are attending NCE, or for that matter, any institution where a chapter of Pi Kappa Phi exists. A note to the chapter from the alumnus will insure that this man is not missed during rush.

As undergraduates, we are always meeting new men around the college. It is our duty to consider each new man as a prospective rushee. If we find that we have common ground with him, we should insure that he is rushed. Only with a comprehensive, positive rush can any chapter survive, especially a chapter such as Beta Alpha, situated as we are at a college where interest in fraternities is low. If the fraternity is to live and grow, it must drink deeply of the lifeblood of fraternity life...rush.

Fraternally,
Tom McCann

ALUMNI RESPOND!

In the past year, certain alumni have received letters requesting that they pay back dues that they owe to Beta Alpha, and it seems that we have been wasting our time and money in sending out these notices. The last time letters were sent out, there were approximately sixty three mailed to these brothers. Of this number, six of the brothers paid their debt in full, five stated that they had already paid the money to the chapter, and one is now paying in installments. Two other alumni contacted us and said they would pay the money. We have yet to receive it. The other alumni did not bother to reply at all.

At the present time there is a total of \$1353 outstanding from alumni. Once again we are going to send letters to you

who are in debt to us, and we hope this will not be another waste of time. Some of you receive these letters may not agree with the amount owed, and some of you may not be able to pay the money immediately. Yet I would like to ask each of you to please answer this letter. I hope that you have enough interest in the fraternity that you helped to build to send us a reply of some kind. With the prospect of buying a new house looking brighter, any money we receive from you will be put to good use. Beta Alpha wants to grow, but this can be accomplished only with your cooperation. I hope to be hearing from you soon.

Fraternally,
Harry Bonfanti
Treasurer

ROSE BALL

Once again it is approaching the time of our annual Rose Ball. This year our Rose Ball will again be held at the Rock Spring Corral on Northfield Road in West Orange, New Jersey. The date will be Saturday, April 13th. The cocktail hour will be from 7:00 to 8:00 PM. Dinner will be served at about 8:00 PM.

In order to make arrangements, it is necessary that we know how many plan to attend. Please send for your reservation as soon as possible. Mail a check for \$16.00 to:

Albert Harraka
Pi Kappa Phi
123 Central Ave.
Newark, N.J.

The dinner will consist of roast turkey, dressing, mashed potatoes, vegetables, ice cream, and coffee. As always, we will have a private bar in our room, over which will pass a wide variety of high-spirited drinks.

Fraternally,
Al Harraka

NEW OFFICERS FOR B.A.

Recently, the time had come to elect new officers for the Beta Alpha Chapter. Elections were held, the votes tallied, and at the close of the long meeting, the chapter had its new officers.

Brother Tom McCann was re-elected as Archon, as was Brother Harry Bonfanti for Treasurer. The chapter elected Brother Rich Brusco for Secretary, who succeeds Brother Ed Kelley. Our newly elected Historian is Brother Jeff Boughrum, who succeeds Brother Bob Vandergrift. Brother Bob Mason is the new Warden, and succeeds Brother Al Christian. Our new Chaplain is Brother Russ

Pepe who takes over the office from Brother Carl Fritsch.

The members of the Beta Alpha Chapter are confident that these new officers will do as fine a job as was done by the previous chapter officers. Congratulations, men!

Fraternally,
Rich Riccardi

OUR ALUMNI RELATIONS

I trust by now that all alumni brothers have received the notice concerning the Rose Ball. I understand that this will be the best one ever held. All the needed information is contained in the notice. All I can do is urge you to attend. The entire undergraduate chapter is anxious to become acquainted with more of the alumni.

Looking through the alumni files, I find that they are in pretty bad shape. The only way that they can be brought up to date is with your help. So please, if you change your address, or know of some other brother who changes his address, don't fail to inform us. If we don't have a brother's address, we have no other alternative but to sever relations with him, which, as you can easily realize, is not good either for him or the chapter.

It is coming to the point where we never hear from any of the alumni except at the Rose Ball, Founders' Day Dinner, and picnic. Of course there are a few who keep in touch, but what about the rest of you. I realize that your families, your jobs, and other commitments keep you pretty busy, but we would like to hear from you more often. So just drop us a line if you get married or engaged, if your wife has a baby, if you move to another part of the country, or if anything else happens which you think might be of interest.

It has been brought to my attention that a number of alumni brothers still owe back dues. As you probably know, we are in the process of buying a house, and the money would come in very handy. I think that's enough said on that subject.

See you at the Rose Ball.

Fraternally,
Rich Pribula

B.A. MAY MOVE AGAIN

The newly organized corporation is negotiating the final price on a three story, brick building at 267 High Street, across from Saint Michael's School of Nursing. The house has ten rooms, and is equipped with oil heat. The building also has an active rooming house license. The new house will sleep twelve men.

Our budget shows that we will be able to carry the mortgage without any difficulty. As soon as the price is set, we will file with the National Newark and Essex Bank for a loan and mortgage. The vote for a loan from the National Office is just about complete.

All of this work has been done since the middle of December, and we are looking forward to moving into the house before the summer. If the purchase is completed, we will be the third fraternity on that block.

We would like to thank the past members of the corporation for their advice and council, for without them, such progress could not have been made. Thanks again.

Fraternally,
Bill Muldowney

PLEDGE PERIOD ENDING

Our present pledge class is nearing the end of its training program, and at the present time we have eight candidates eligible for brotherhood. They are Pledges Jim Clymer, John Kirincich, Bob Polucki, Bob Manthey, Doug Bruce, Jim Flynn, Ed Klebaur, and Vic Mazzerala.

Throughout their pledge period, the pledges have been instructed in the various fields of fraternal organization and oriented to the ideals and traditions of Pi Kappa Phi. As an integral part of their training, they have elected their own pledge officers and have conducted weekly meetings so as to become familiar with the rules of Parliamentary Procedure.

We feel sure that their instruction and training in these fields will be greatly reflected in their attitudes and actions as brothers of Pi Kappa Phi, and that they will be worthy to carry on the high ideals of our fraternal organization.

Soon we will be starting our rush program, for we are eager to start a pledge class for the spring semester. We look forward with great anticipation toward the securing of a large number of worthy neophytes.

The Pledge Training Committee, working directly under Warden Bob Mason, will endeavor to introduce an expanded training program for the spring pledge class which will strive to lay much emphasis on the meaning of fraternalism.

Fraternally,
Jim Juliano

PLEDGES * AD INFINITUM

We, who are marked, will now speak. As the bond of fraternalism is maturing in each of us, it becomes increasingly difficult to remain pledgingly subservient. This is basically due to our attaining an individual personality in the eyes of the brotherhood, while remaining a part of the pledge structure.

Everyone has an anxious eye toward March 23rd, and a general conscientious attitude prevails for these last few weeks. Each of us now has a great desire to become initiated. Infinity minus X has finally be resolved, however a sophisticated mathematical analysis will not be included.

We were all rather impressed by Hell Night. We were so impressed that none of us pledges could raise an arm in protest of it. We couldn't raise an arm in favor of it either, however.

Those of us who attended the Saturday night basketball games were highly impressed with the representation and spirit of Pi Kappa Phi at the games. The spirit was reflected in the enthusiastic yells of the brothers.

We all enjoyed the Friday night projects; for besides teaching unity, they helped in our development of "cuprous orbs." We all agree that the pledge period and its principles are necessary, instructive, and enjoyable, now that we see it coming to a close. To paraphrase the old cliché,

"We have unity, fraternity, now we seek equality."

Fraternally,
Jim Flynn,
Pledge

RUSH PARTY HELD

Our Rush Party, held on Friday, March 1st, was slightly hampered by inclement weather. However, of fourteen men invited, eleven managed to show up, despite the snow and icy road conditions. This was quite a successful showing under the circumstances.

The evening began with a Smorgasbord-type dinner, which was enjoyed by the brothers as well as the rushees. After dinner, nearly everyone went up to the gym to watch as we won our final basketball game of the season, which gives us an undefeated regular season.

Everyone then returned to the house for an evening of song and dance, along with a bit of birthday celebration for Brother Bill Muldowney.

A new pledge class is presently scheduled to be installed on Friday, March 8th.

Fraternally,
Bob Smith

SOCIAL EVENTS

The new year was started with a "blast" of a New Year's Eve Party held at Brother Nick DeBenedictis' home, and well over fifty people can varify this fact. Our two permanent bartenders, Brother Bob Toloso and Brother Al Harraka, were constantly on the go from 7:00 to the wee hours of the morning serving a choice of 40 different drinks. It was a typical Pi Kappa Phi party....tremendous.

We then moved on to Rome to do as the Romans did; eat, drink, and sing. It was the Roman Toga Party. Brother Bob "Nero" Mason and his slave girl were the most original in costume. Unfortunately, Bob forgot his fiddle.

Next in line came our annual Orphans' Party, which was held this year at Saint Peter's Orphanage in Irvington. Donations of ice cream, soda, and films, plus cakes and pastry from a number of NCE secretaries created a party that fifty children will never forget. In fact, the secretaries were so impressed by the little ones, that they are planning to take some of them on weekend outings. Nice going, girls!

Some of the future events will include a Toboggan and Ice Skating Party, a trip to the Delaware Water Gap, and our annual Pi Kappa Phi Picnic.

The picnic will again be held at the Home of the Alliance, which is the same place at which we've had so much success for the past two years. The tentative date is Saturday, June 8th, starting at about 10:00 AM and ending at about 2:00 PM. The agenda will include swimming, tennis, baseball, dancing, drinking, and singing. It's a day you wouldn't want to miss because all your old classmates will be looking for you.

P.S. Bring along the kids; everyone else does!

Fraternally,
Tony Kaczka

BETA ALPHA VICTORIOUS

This basketball season finds Beta Alpha with a powerhouse of a team. Coach of the team is Brother Ernie Shortridge, and his assistants are Brothers Cliff Malarek, Jim Juliano, and Bill Muldowney. These four find themselves in a frenzy before every game, trying to decide who to start, since there is a vast reservoir of ability throughout the team.

The team consists of Brothers Tom "Many Loves" McCann, Rog "Boom-Boom" Edwards, Frank "Fidel" Paul, Jack "The Ripper" Joyce, Walt "The Phantom" Richardson, Bill "Tiny" Perucki, Russ "The Stilt" Pepe, Bob "Wet Ear" Vandergrift, and Pledge Nick "Greasy Fingers" Toomer.

The team is doing a wonderful job, especially since there has been need to call but one practice.

The Beta Alpha All-Stars have trounced all opposition to complete an undefeated season. Pi Kapp has outscored its opponents by multiples of three and four. For example, in the first game of the season, the team beat Phi Beta Tau by a score of 48 to 12.

An example of all-around depth is when ordinarily second string Russ Pepe started one game and wound up high scorer for that game.

With such tremendous depth and power balanced with height and great ball handling, Pi Kapp should "walk away" with the IFC basketball championship.

P.S. Some brothers are already getting set for the softball diamond!

Fraternally,
Ernie Shortridge

EDITOR'S NOTE

I would like to express my thanks to all the committee chairmen without whose help this issue of Beta Alpha Particles could not have been published. I believe I have chosen articles which would be of the most interest to the alumni. If any alumni have comments, suggestions, or articles which they believe would be of interest, please contact me at the chapter house.

Fraternally,
Rich Riccardi
