Announcing Conclave 89

=====

The main reason for this particular Newsletter is to announce the Area I Conclave for 1989. The theme for this year's conclave will be decided at an organizational meeting at Penn St. on 11/19/88. Now is the time to plan on attending. General details are as follows:

1. Place: Penn State University - Sponsored by Pi Kappa Phi-Alpha Mu Chapter
2. When: Friday Night January 27 thru Saturday January 28, 1989
3. There will be an organizational meeting on Saturday November 19, 1988 at the Alpha Mu Chapter house in State College, PA. Any Area I Chapter is invited to attend and help plan our Conclave. The meeting will start at 1:00 p.m.
4. Please remember that all Area I chapters are required to attend the Conclave. Pi Kaps from other Chapters outside the Area are certainly invited to attend.
At Pi Kap College this year all Area I Chapters expressed that they were available to attend this year's Conclave on this weekend ! In addition, most Chapter reps were very excited to hear that the Conclave will be held at Penn State. This will be the first Conclave held there in almost 20 years. Thank you Alpha Mu Chapter for volunteering sponsorship.
5. There will be a Special Meeting of Chapter Advisors at this Conclave. In addition, key alumni from your chapter should be invited to attend. Since the Area Governor does not know who your key alumni are, it is important that you inform them of this event.
6. The program this year will be very different from last year. Details will be worked out at the conclave's organizational meeting. If any chapter has recommendations for Conclave 89, write your Area Governor.
7. A Special Commemorative Mug will be given to each member of the Chapter with the highest percentage participation. Remember, you can bring pledges and alumni to the Conclave. There will be a special session for Alumni.
8. Please make this event mandatory for your pledges !
9. Further details will be sent out after the planning meeting. Please mark your calendars now for CONCLAVE 89 on January 28-29, 1989.
