## ARCHON'S LETTER

This semester started off slow with the Brothers coming back to school and the fraternity house being under construction. When the time came though the Brothers gathered together and held tight. The exposure of PI KAPPA PHI on campus was great due to Rush, our involvement with PUSH and our second-place finish in last semester's Greek week event.

All in all, Beta Alpha has improved considerably. We appreciate all the advice and guidance that brought us to this point and welcome it again in the future.

Fraternally Yours,  
Will Fedorenko BA 566  
Archon

## RUSH REPORT

Pi Kappa Phi had another great Rush this semester. The attendance was overwhelming at our events. The chapter had movie night/barbecue for the Freshmen at the house. Also, we had the very popular pool competition which gave us a lot of exposure. Lastly, we played music at the student center while we introduced ourselves to prospectives. Through these efforts we recieved some very motivated and inspired associate members, and we have high hopes for them.

For this fall semester, besides the usual PUSHathon and regular collections at school, the chapter will be holding a PUSH fund raising party. Also, we will be having a raffle drawing to benefit PUSH.

On the side of community service, we will be assisting in the distribution of food during Thanksgiving and Christmas. The chapter is also in the process of mailing out more letters to businesses and philanthropists for possible donations toward PUSH. Last semester's responses were generous and we would like to equal or exceed that this semester.

Finally, we were visited by Chad Coltrane, the National PUSH Chairman. He showed us all the fundraising opportunities through PUSH. We also learned the advantages of using PUSH as a tool for recruitment and advertisement of the pi Kappa Phi Fraternity on campus.

### **GREEK WEEK**

People were amazed, even shocked when they heard Pi Kappa Phi had won second place at Greek Week. Mind you this has not been seen at Beta Alpha for at least three years.

Omar Garcia, in charge of Greek Week stated, "It was the efforts and support of all the Brothers working together that made us strong and able to conquer the challenge." With the Brothers working hard, we won second place in most of our events but the majority came from the following events. First place in the three legged race and the pool tournament. Meanwhile, our audience could not stop cheering as we walked off stage with another first place at the talent show. Thanks, to the Brotherhood for the support and determination that put Pi Kappa Phi on the lips of ever Greek on campus.

### **PICTURE PHOTO ALBUM**

Do you have your old pledge pictures buried in the attic? Well dig them out!!

The creation of a pledge photo album, would not only be interesting to look at but it shows how Beta Alpha changed over the years. All you have to do is send in one picture of your pledge class. Please include the class, your pledge brothers and all initiation numbers. also include nicknames if possible. Please send all pictures to:

### **THE ALUMNI AWARDS**

" This semester we would like to award \_\_\_\_\_ BA \_\_\_\_\_ for being the most helpful and supportive alumni during the Spring '93 semester." Would you like to have your name in print for all Beta Alpha brothers to see while receiving an award and helping the chapter? The rules are easy. When ever you come down to Beta Alpha just sign the alumni book over the mail box by the stairs. The alumni with the most helpful hours spent at Beta Alpha will receive the award. So, run on down to Beta Alpha, the house is opened 24 hours a day. HOPE TO SEE YOU SOON.

### **CHAPTER UNDER CONSTRUCTION**

This semester Beta Alpha is still in the process of remodeling the fraternity house. The renovations consist of putting in second shower on the second floor. Reinforcing the stairwell and replacing the first and third floor ceilings. Any contributions to the project will be greatly appreciated.
